

SEACOAST SCIENCE CENTER

in Odiorne Point State Park

Seaside Safari Summer Camp CIT's

Seaside Safari is an environmental day camp for children in grades K-5.

Counselor-in-Training Program (for ages 13-17, non-paid)

Our Counselor-in-Training (CIT) program is a unique volunteer opportunity for Seacoast Science Center member* teens to acquire leadership and informal teaching skills while learning about the marine environment in a camp setting. CIT's assist our camp counselors to provide a safe, fun, and meaningful educational experience for our campers. Prospective CIT's will need to fill out a registration form and attend a two hour training in June. This is a great opportunity to earn community service and enjoy the wonders of Odiorne Point State Park. CIT's can choose the days they would like to volunteer that works for their schedule. The camp meets Monday through Friday and runs from June 17th to August 23rd.

Questions?

For questions about any individual, group, or CIT volunteer opportunity, please contact Volunteer Coordinator Laura Bahl at [603-436-8043](tel:603-436-8043), ext. 21 or l.bahl@sscnh.org.

We encourage youth applicants to contact us directly.

**Must be a member at the Family Level or higher.*
