

## Orientation Schedule Update

Earlier this week I sent out an update that included an orientation schedule and the enriched virtual learning schedule. After a careful review we have modified the orientation schedule so that only one grade level is in the building at one time. This modification allows us not only to focus on each grade level, but reduces the cohort size of students in the building at a time. We have still maintained the student alphabet division and the alternating A (Red) day/B (Blue) day schedule remains in place. The A/B schedule pertains to the classroom blocks, not a student division. The updated alternating schedule for the month of September is shown below:

September 2020						
Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		1	2	3	4	5
6	7	8 Freshman Orientation	9 Freshman Orientation	10 Sophomore Orientation	11 Sophomore Orientation	12
13	14 Junior Orientation	15 Junior Orientation	16 Senior Orientation	17 Senior Orientation	18	19
20	21	22	23	24	25	26
27	28	29	30	1	2	

### ***Orientation Schedule***

During the orientation schedule, students will come to school and attend classes in-person to meet teachers, and pickup books and materials.

Students will attend school based on grade level and last name:

- First session – students last name A – L runs from 8:00 a.m. – 10:15 a.m.
- Second session – students last name M – Z runs from 11:15 a.m. – 1:30 p.m.

Students will only attend one session per day dependent upon the grade level:

- Freshman will attend on September 8 and 9
- Sophomores will attend on September 10 and 11
- Juniors will attend on September 14 and 15
- Seniors will attend on September 16 and 17

During the orientation period, Tuesday, September 8<sup>th</sup> - Thursday, September 17<sup>th</sup>, a single grade level will be attending classes in person while the other grade levels will be learning remotely in an asynchronous model at home. On the day the student's grade is scheduled for orientation the only expectation for students is to attend the orientation. On days when the students are not scheduled for orientation, the expectation is that students are logging on to the google classrooms of the classes they would have on that day following the A/B schedule within the 30 minute scheduled class window. Students will be expected to complete the engagement activity/assignment provided.
